Report title

Period covered

Document reference

Version

Classification

Document Control Version 1.0, issued for internal circulation. Supersedes all previous versions of this report.

Distribution Board, executive team, and the named owners of each section. Not for external distribution.

Prepared by Prepared and reviewed by the reporting team; approved by the accountable executive.

A cover page earns its place when the report is printed, bound, or filed. For a document people read on screen, skip it and put the summary first.
